

Sunday Lunch at The Bridge

We are open for Sunday lunch from 12pm until
3pm

The set priced menu changes every week and offers a choice of seven starters, seven mains and a selection of puddings and ice cream.

The menu always includes one of the following roasts, alternating on a weekly basis.

Roast sirloin of beef, leg of lamb or loin of pork, all served with the appropriate trimmings.

There is also our famous half a crisp roast duck which was featured on Simon Hopkinson's television show.

The other dishes on the menu include a selection of fresh fish and seafood plus vegetarian options.

We offer vegan options but would appreciate notice of your requirements so that we can provide an interesting selection.
